TERMS AND CONDITIONS

- Mare Passports / Identification : It is a legal requirement that mares are accompanied to stud with their passport.
- Swabs and Blood tests. A Veterinary certificate certifying that the mare is free from EVA and CEM for the current breeding season must be presented upon arrival.
- Mares to be kept at grass livery: must have their hind shoes removed.
- Grass livery: (includes additional haylage when necessary) and will be charged at a daily rate of **£5.00** per day. Mare and foal at grass **£6.50** per day.
- Stabled Livery including hard feeds and ad-lib haylage will be charged at a daily rate of **£10.50** per day. Mare and foal £12.50 per day.
- Foaling Fee £250 +VAT
- Mare AI Package: Fresh Chilled semen: A fee of £175 + VAT will be applied for the first cycle insemination. This includes all pre-insemination scans, all post insemination scans to detect pregnancy and 28 day heartbeat scan.
- Frozen Semen: A fee of £250 + VAT This includes all pre-insemination scans, all post insemination scans to detect pregnancy and a 28 day heartbeat scan. (Fees do not include caslicks and additional treatment of drugs (antibiotics, hormone treatment or lavage these will be billed for separately.
- Fees due upon arrival £150 + VAT must be paid in advance upon the mares arrival at stud.
- Fees due upon collection: All equine reproduction costs, livery, farrier, veterinary, and worming fees must be paid in full upon collection of the mare(s) without exception.
- Semen Collection: Collecting and preparing fresh/chilled semen from any outside visiting stallion will be charged £45 + VAT
- All Additional Farrier and Veterinary expenses will be at the expense of the mare owner/agent.
- Balcormo Stallion Stud fees A non-refundable booking fee of £100 + Vat must be paid in advance for mares using any of the Balcormo Stallions with the remainder of the stud fee payable 1st October 2010 if scanned in foal. All reproduction costs are included in the stud fee of Balcormo stallions.
- Non Balcormo Stud stallion Stud fees: by private treaty with the stallion owner.
- Worming Mares and Foals will be wormed every four to six weeks and the owner will be charged accordingly.

Disclaimer: Although every care and attention will be provided Balcormo Stud accept no responsibility for visiting horses and do not carry insurance cover , it is the owners responsibility to provide their own insurance cover. The stud accepts no responsibility whatsoever for accident, theft or disease, nor does the stud give any express or implied guarantee of success. All mares are inseminated at their owners risk and no responsibility can be accepted for injury, damage or loss caused through teasing/covering or artificial insemination of any mare. Owners must accept that while their horse is at Balcormo Stud it is at their risk—no responsibility for the mare can be accepted by the stud owners and all liability claims , damages, loss and expense of any kind whatsoever are hereby expressly excluded.

I _____ hereby accept the terms and conditions outlined.
